

A photograph of a pool hall. In the center is a pool table with a green felt top and a dark wood frame. The table has a small tray with pool balls on it. The background wall is made of red brick and has several framed pictures and signs, including one for 'Jack Daniels Whiskey'. There are three green pendant lights hanging from the ceiling. To the right of the pool table is a large, colorful slot machine. In the foreground, the back of a red leather tufted sofa is visible. The floor is covered in green carpeting.
